GLASTONBURY WRC

Silo multi-level stair tower platform.

Low Cost

By utilizing our knowledge of the sector specifications, we were able to offer our clients a 20% cost saving through smart design compared to the proposed generic access tower platform design.

Fast Delivery

Pre-assembled modules installed in just 4 days, minimising site disruption and keeping the programme on track.

CE-Certified & ISO Backed

Accredited Delivery You Can Trust – EN1090 Execution Class 3, ISO 9001, 14001 & 45001.
